

To the Members of the California State Senate:

I am returning Senate Bill 764 without my signature.

While I share the goal of ensuring all Californians have access to physician services, I am unable to sign this bill as its goal can be more effectively accomplished administratively. In fact, my Administration already has efforts under way, in the context of my comprehensive health care reform proposal to discuss and develop strategies to improve the diversity and capacity of this State's health care workforce.

For these reasons, I am returning this bill without my signature.

Sincerely,

Arnold Schwarzenegger
